

LODGE & HELISKIING

What to Bring

Unlimited Single Group Program

Prior to heliskiing, all participants will be required to sign a "Release of Liability, Waiver of Claims, Assumption of Risks and Indemnity Agreement".

Packing Tips

We recommend that you dress in layers while out skiing. Layering provides better protection against the cold rather than wearing one heavier layer. You may want to have an extra pair of gloves/mitts and/or an extra toque/hat. **You MUST bring your own ski or snowboard boots.** Helmets are not provided; they are not mandatory but always suggested.

Please note that there is no cell phone service at the lodge, but there is complimentary Wi-Fi.
